## 25 YEARS AND STILL GOING,

Can't believe we are still going and making Riverside History. Last year was insane with the amount of support that came out. Our show is about the cars, participants and spectators, all of whom come to appreciate the program, in the name of charity.

This show is so much more than just the cars as each dollar raised goes towards helping a philanthropy in our very own community. So many people have helped in so many ways year after year and we are very grateful for each person that has helped. It takes about 150 volunteers and so many hours we can't keep track. Please continue to support and patronize all our sponsors and vendors during the year.

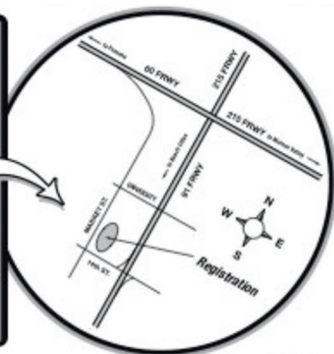

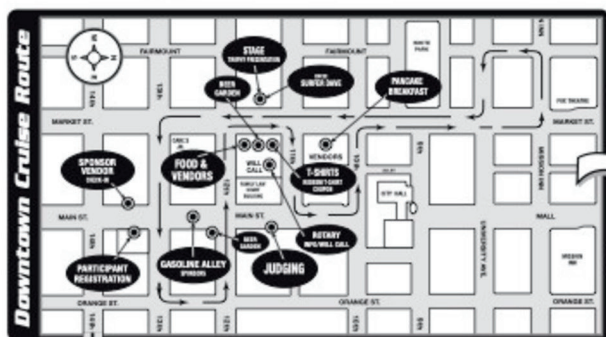

On behalf of the Riverside East Rotary Foundation and the Old Farts Racing Team of SoCal, we would like to thank you.

You are the reason for Show & Go's success.

*Mark Godfrey & Finn Comer*

# Show and Go 2025

To 94 FRWY

5pm

Market & 12th

# LETTER FROM THE PRESIDENT

## MATT BARTH

**I am excited to have you join us for the Riverside East Rotary Club "Show and Go" Car Show for 2025. This keeps getting better each year!**

**Get ready for a thrilling show, highlighting a wide-range of automotive excellence. This is Riverside's most exciting event where car enthusiasts from around the region gather to celebrate their shared passion for cars.**

**From classic beauties to cutting-edge sports cars, from vintage to electric vehicles, our Annual Car Show has something for everyone. You will be amazed at the sleek designs, the latest technology, and the powerful engines that make these vehicles true marvels of engineering.**

**This year's show promises to be bigger and better than ever before, with an impressive lineup of vehicles, and thrilling activities for the whole family. Whether you're a die-hard enthusiast or just someone who appreciates the beauty of cars, there's something for everyone at the Show and Go Car Show.**

**I want to shout out a special thanks to all our sponsors and supporters that make this event happen. We really appreciate our partnership with the Old Farts Racing Team to make this happen. Finn Comer, Riverside East Rotary Car Show Chair does an amazing job in coordinating this event his energy, dedication, and ability to get everyone involved makes this one of our most successful events. Remember, the funds raised from this event go back to our community supporting education, community projects, and our youth. We are especially thankful to all our volunteers that make this event a success. We could not do this without you!**

**So, buckle up and get ready for an unforgettable experience at the Riverside East Rotary "Show and Go" Car Show 2025. Thank you for joining us this weekend.**

**Sincerely,**

**-Matt Barth  
Riverside East Rotary President (2024-)**

# 2025 Grand Marshall

Being a Grand Marshal for a car show parade is a special honor that comes with pride and excitement. As the Grand Marshal, you lead the parade and set the tone for the entire event, often riding in a classic or custom car while waving to the crowd. It's a moment of recognition, usually given to someone who has made a meaningful contribution to the community, the car show itself, or the world of automobiles. Whether it's through years of dedication, a passion for cars, or involvement in local events, being chosen is a sign of deep respect and appreciation.

The role also gives you a chance to connect with car enthusiasts, meet fellow gearheads, and be a part of celebrating automotive culture. From vintage hot rods to shiny muscle cars, the parade is a rolling showcase of history, craftsmanship, and creativity. As Grand Marshal, you're not just leading the way—you're helping bring people together through a shared love of cars and community spirit. It's a fun and unforgettable experience that blends tradition with celebration.

My membership with the Old Farts began in 2003, after being introduced to the club by Darwin Grossbech. I have enjoyed working for the club, especially Show and Go as the Banner Crew Chief. I'm sometimes known as one of the "go to guys" just get it handled Rich. I currently have a collection of four classic hot rods. My claim to fame or my big bucket list car is my beautiful blue 1966 Dodge Coronet, a 6-year build. It has won several 1st place awards at the Grand National Roadster shows in Pomona. This car was featured in Hot Rod Magazine in January 2020, a centerfold of course. Fulfilling my bucket list of building one fast car, a mid 7 second car with a speed of 185 miles an hour in the quarter mile. Being the Grand Marshal for our 25-year reunion for Show and Go tops my bucket list and I am humbled and very honored.

# About the Old Farts Racing Team

Welcome! To all new, as well as returning members of the Old Farts Racing Team. Our sole purpose is to have old fashioned Drag Racing fun! You do not need a car to have fun; come along with someone who is participating, be a spectator, or build your own car. "Meetings" are held on the second Tuesday of every month, 6pm, at the American

Legion #79 - 2979 Dexter Dr. Fairmount Park, Riverside, Ca. 92501. We have no club Officers, What we call meetings are actually probably better defined as "bullshit sessions", for lack of a better term-

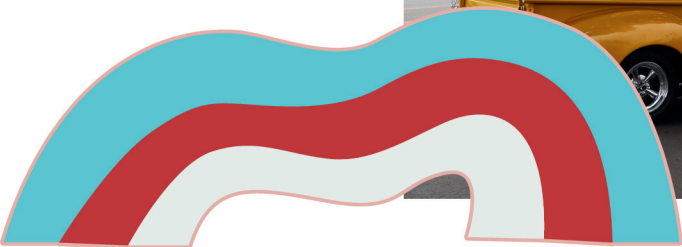

The Old Farts Racing Team (OFRT) was formed in April 1993 when longtime friends Ron Speer and Dave Barnekow got together and thought "You know, we should form a group who share our interests in Hot Rods and Drag racing..." The rest is history. It began as a loose-knit association, and has grown into a pivotal consortium involved in a number of worthy causes and charities.

We sponsor and/or are involved in a number of notable events each year in and around the Riverside, California vicinity. Most celebrated are Show & Go, OFRT Reunion, Mystery Tour, Evergreen Cemetery fundraiser, and our latest, Rebuilding the American Legion

Post #79.

## How the cars are judged

Each judge looks and scores only one part of the car, so when they pass by the car, they are concentrating only on that part of your car. Each judge puts a rating from 1-10 on his sheet for your car with a possible score of 60. These scores are then put into a computer and it will tell us who wins. The point spread for the Top 50 cars is usually within 15 points. We all build cars and appreciate the work and time you put into your car, but we have 3 hours to judge approximately 300 cars, so unfortunately we do not have the time to discuss your car. We thank you for bringing your car to the show and look forward to your return in the following years.
